

What is

Safe Sanctuaries

Refers to the way our congregations keep children, youth and impaired adults and the people who work with them safe and free from abuse, neglect and exploitation while they are in the church's care. A Safe Sanctuary Policy is the specific document outlining the policies and procedures a church adopts and follows to achieve this promise of protection and safety.

*"Whomever welcomes a child
welcomes me."
Matthew 18:5*

Rationale & Resources

Our Commitment

The Arkansas Conference of the United Methodist Church pledges to conduct the ministry of Jesus Christ in ways that promote the physical and emotional safety and spiritual growth of our children, youth and our workers with children and youth. In all of our ministries with children and youth, our congregations are committed to demonstrating the love of Jesus Christ so that each child and youth will be *"surrounded by steadfast love . . . established in the faith and confirmed and strengthened in the way that leads to life eternal."*

Why do we need Safe Sanctuaries?

1. It's Biblical.

But Jesus called for them and said, "Let the little come to me and do not stop them; for it is to such as these that the kingdom of heaven belongs." Luke 18:16

2. It's covenantal.

From our United Methodist Baptismal Covenant "With God's help we will so order our lives after the example of Christ, that these children surrounded by steadfast love, may be established in the faith, and confirmed and strengthened in the way that leads to life eternal."

Our church is a community of faith – a safe haven and sanctuary where children and youth should be confirmed and strengthened in the way that leads to life eternal.

3. It's good stewardship.

Safe Sanctuaries protects the Church's assets for mission and ministry. Settlements for millions of dollars have been rendered across the country for children, youth and vulnerable adults who have been harmed by abuse while in the care of a church.

4. It's the right thing to do – WWJD?

It is our responsibility to make our churches a safe place for children, youth and impaired adults (adults who are unable to speak up for, defend or advocate for themselves), and the leaders who work with them. Safe Sanctuaries protects both children and volunteers
