

Welcome to Abilitrees!! It is our goal for this to be a safe and loving environment for your child to learn about God's love. We will be working with your child to teach them Bible principles, verses, and stories. We will strive to make this a positive environment for your child by using positive behavior strategies. We will use the following strategies to provide your child with a positive experience and to prevent disruption:

- Modifying the environment, antecedents (such as curriculum) to behavior, or routine
- Providing an alternative task when necessary
- Tactical ignoring of the behavior
- Distracting the child
- Positive Reinforcement for an appropriate behavior
- Changing expectations and demands placed upon the child
- Teaching the child new skills and behaviors
- Provide sensory based breaks as needed to encourage alternate behaviors

It is our prayer that church will be a fun experience that will help people of all ages and abilities to grow closer to God! Please provide a phone number where you can be reached so that we may contact you in the event that we require anything from you while your loved one is in our care. Thank you!
