

## Playful Prayer for Prayerful Play

\* The Message and the Metaphor

\* What is prayer? What is play?

\* Downside vs. Upside

\* Toys – Classic or Contemporary?

\* The Toy Box:

- Bubbles – great for blessings and for making abstract ideas seem more concrete
- Magna Doodle – W.I.T.H. prayers
- Silly Putty – great for expressing a range of feelings in healthy ways
- Tinkertoys – we can pray alone *and* together
- Legos – great for lessons on creativity and transformation (Isaiah 2:4)
- Tops – Centering prayers
