

# 40 Notes in 40 Days

## Cultivating Relationships Through Lent

Starting on Ash Wednesday (February 10th), write a note to someone in your life. First, pray for the person you want to write, then write a note. You can tell that person why you thought of them or you can keep it a secret. Mail the note if you feel so lead.

Take Sundays off. There's no mail then, anyway. Also, Sundays are thought of as "little Easters" and not included in the traditional 40 days of lent.
