Destination Mission is a division of the Arkansas Conference Council on Children's Ministries of the United Methodist Church. It provides mission opportunities for service for 3rd to 6th graders as well as worship and fellowship designed to be age appropriate. Each group coming should have 1 adult for every 4 students.

Destination: Mission Questions

1. When can I register?

Registration is open! I have recently heard from a few people asking if it too late to register. The answer is no. It is very helpful if you register early so that we have enough food, tshirts, work site, etc. And it really helps both keep me and Laura Stinnett stay sane if we can properly plan. In reality, it is truly too late to register if the event is over. IMPORTANT NOTE: Registrations forms are all electronic this year and parents/guardians will need to do them for the liability release.

2. How can we do the mission trip if it is Holy Week?

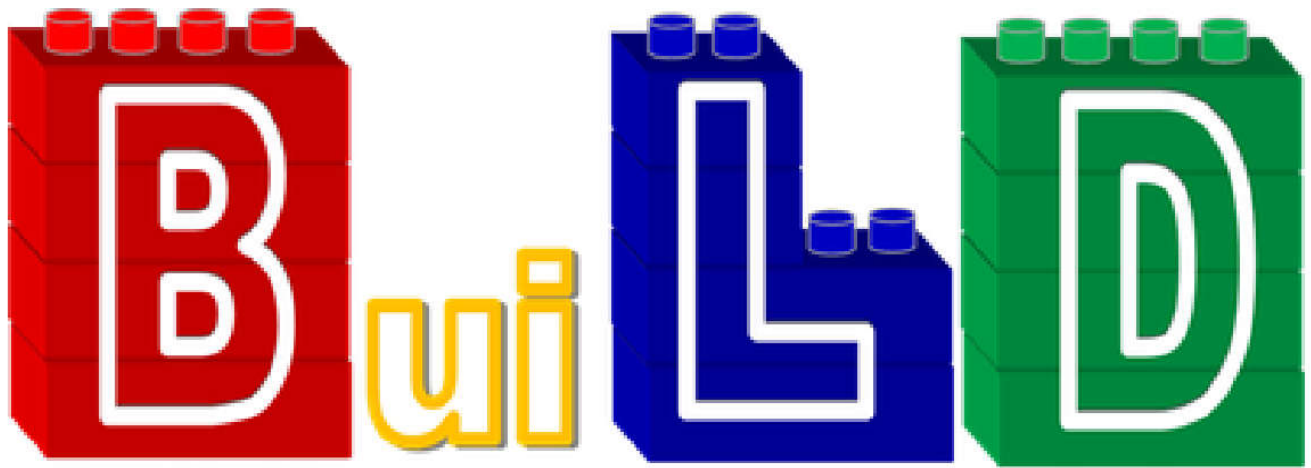

First, we have adjusted the schedule to the beginning of the week. Second, and probably more important, we are confident that Jesus would rather have us in Christian service than playing video games.

3. What all are we doing?

We will be worshiping, making new friends, eating awesome food, sleeping at the church, and going out to area agencies to serve as teams. In the past we have helped at food banks, animal shelters, soup kitchens, senior centers, thrift stores, and clothes closets. Laura is working on the sites but we need more registrations so that we can better plan (see #1 again.)

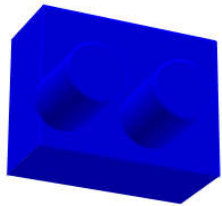

Please know that we are praying for you and all of those that you will serve.

If you have any questions, please email me at denni.palmer@mountsequoyah.org.

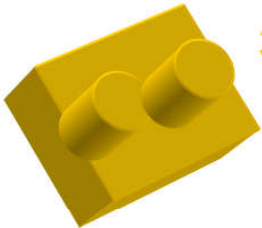

Building Loving Disciples
Go and make disciples Matthew 28:19
