

Cadence #1:

The bible's a great book, so I'm told,
We learn from testaments new and old.

Each book tells a story or law
We learn what people did and saw.
There are 66 Bible books in all,
They pick you up when you fall.

Cadence #2:

I don't know what you've been told...
Galatians got the fruit of gold.

Patience, joy, love, peace, and faith...
With gentleness we serve each day.

Self-control is kind and good...
We'll do just what Jesus would.

My God has a plan for me
A future and a hope, you see.

Cadence #4:

I'm a child of Christ the King
So much joy I have to sing.

Jesus loves me, saved my soul
To be just like Him is my goal.

I will serve Him and obey
He blesses my socks off every day!
